Book Reviews by Many People Including Celebrities and Big-Shots Of India:

UNLOCK YOUR KID'S TALENT: JUST 30 MINUTES A DAY ACTIVITY

The Best Way To Find Yourself Is To Lose Yourself In The Service Of Others

"Parents read this book; I highly recommend improving musical intelligence in your kids. Kid's innate ability to use music and sound touches the sub-conscious mind and move directly into the emotional/soul centres, which are base to unlock all kid's talent."

Kailash Kher

~Indian playback singer and music composer

"In the age of technology & rapidly changing world, we need to empower our children to be ready for the uncertain future. The seeds of future readiness are sown at home since childhood & it's jointly nurtured in the conducive ecosystem at school & home."

It's crucial to make parents aware of the importance of providing learning opportunities in day to day life. Parents initiative in conjunction with the education system will enable a child to unlock the hidden talents & face all the adversities with positive affirmation."

“Unlock Your Kid’s Talent” is a comprehensive resource packed with real-life parenting solutions that every parent should try. A practical, thoughtful, sensitive and easy-to-read guide for all stressed-out, anxious mothers and fathers who worry about their kids, who are not

doing enough. An easy to implement contribution listed by Kavita and Anurag in the field of parenting and kids’ development.

Ameet Parekh
~Educationist, India’s leading Success Coach and one of the few certified by International Coach Federation (ICF)

“I strongly agree with Kavita & Anurag that discovering the interests and capabilities of a child from a young age can help them to find what they’re strong at, find their passion, and become more self-motivated. As my parents helped me from childhood to achieve the entrepreneur and technical skills that I have today.”
